PUTTING ART IN 500 HOMES SUBMITTALS DUE NOVEMBER 20TH

Anthony Faris is working on a project where he will coordinate the giving of 500 art pieces to families who utilize the Fargo/Moorhead Food Bank. The goal of the project is to put art in 500 peoples homes - homes that rely on getting their basic needs met.

Anthony is collecting images from artists (images of painting, printmaking, Photos, drawings etc). Those images from the Call for entries will be narrowed down to like 30 pieces and then he will have people from the Food Bank choose their top 10. From those, he will print out editions of 50 prints (culminating in 500 pieces) that will then be framed and given free of cost to families at the Food Pantry for Christmas.

The goal of the project is to put art in 500 peoples homes - homes that rely on getting their basic needs met- who may not be able to afford art. This is a social practice project about donating a digital copy that he will make into a 16x20 work to be given away.

If you are interested in donating a digital copy of your work, check out: <https://artforfamilies.tumblr.com/>

PEEL AND STICK III

FRIDAY, NOVEMBER 12TH | 6:30-8PM

This Friday, the Rourke Art Museum will be holding a special reception in celebration of "Peel & Stick III", an exhibition of work by the artists, graphic designers and illustrators of the Albino Buffalo sticker project. This event will also feature the launch of Series Twelve. Stickers available for purchase. Face masks are required and social distancing will be observed in the museum building.

Since 2014, Albino Buffalo has been distributing stickers featuring artwork from local artists of all kinds. These stickers are available to purchase from repurposed sticker vending machines housed at various locations throughout North Dakota. To date, they have launched 11 series of stickers, collectively featuring over 60 regional artists, who together have contributed over 300 works of art. Over 15,000 stickers have been dispensed via machines at five locations (Unglued, Office Sign Company, and Drekker Brewing in Fargo, Rhythm Records in Bismarck, and Half Brothers in Grand Forks). Albino Buffalo is owned and operated our own Professor Jeff Knight!

STOLEN ART

Bring it Home

In 1975, NDSU held their annual Spring Blast All Nighter, and this lithograph was stolen from the Memorial Union. We seek its immediate return.

Untitled "Woman Seated At Table"
by Richard Diebenkorn

**IF RETURNED,
NO QUESTIONS ASKED**

STOLEN ART WORKING GROUP WEDNESDAY, NOVEMBER 10TH | 6:30PM

This Wednesday at 6:30pm, the MU Gallery will host an open forum for the community to discuss the Richard Diebenkorn piece that was taken in 1975. The discussion will include all the research that has been completed thus far and the working group will review what questions, leads and issues have not been investigated.

This working group is open to those who would like to simply listen and those who would like to actively participate in tracking down the artwork. The artwork was taken from the wall nearly 46 years ago but there has been a growing interest in its return over the last year. Recently, the Fargo Forum and Valley New Live (<https://www.valleynewslive.com/2021/11/06/an-investigation-is-still-going-artwork-that-went-missing-ndsu-46-years-ago/>) has covered the lost work.

There is no need to RSVP, simply show up on Wednesday at the Memorial Union Gallery this Wednesday at 6:30pm and we will work together to solve this mystery. For more information, contact james.faris@ndsu.edu.

DESIGN DRAFTING COMPETITION APPLICATION TO JOIN DUE DECEMBER 10TH

The Fargo-Moorhead, ND Chapter #246 of the National Association of Women in Construction (NAWIC) is sponsoring the NAWIC Education Foundation's (NEF) Design Drafting Competition for the 2020-2021 school year. The contest provides recognition to contestants for their creative design, successful problem-solving skills, and craftsmanship in preparing architectural drawings and renderings. The drawings may be created utilizing any computer aided design (CAD) program available to the contestants, drawn by hand, or may consist of a combination of computer aided and hand drawn drawings. The winner of the local competition will go on to compete in the Regional Competition and the Regional winner will be submitted to compete in NEF's National Competition.

The 2021-2022 Design Problem and other information can be accessed via NEF's website: nef-edu.org, go to K-12 > Design Drafting for this year's competition details. This year, NEF is excited to announce our partnership with project management software company, Procore. Through the site, you will be able to find the Design Drafting documents. In addition, regional Chairs and Individual Sponsors will be submitting final designs via the bidding tool.

To participate, fill out the form on the NEF Design Drafting web page or follow this link: form.jotform.com/211778269303056. Allow 24-48 hours for a Procore link to be sent to you via email where you will be granted access to the 2021-2022 Design Drafting project.
