## BECOME A BISON GUIDE!

We are in the process of recruiting new Bison Guides for this school year to give tours for events and visits. Being a Bison Guide is a great way for undergraduate students to build public speaking skills, interact with prospective students, and contribute to campus recruitment. Volunteering as a Bison Guide can also count toward service hours, if students are looking for those opportunities. If you have any current undergraduate NDSU students in your department that you think would be great at giving tours or who could grow by being a tour guide, feel free to refer them using this form: <https://forms.gle/iDRAJtqCY88YKHK89>

**Information regarding time commitment and position description can be found at: <https://www.ndsu.edu/admission/tourguide>. This same link includes the application.**

We will be accepting applications on a rolling basis for the rest of the semester. Contact Zeb Watkins if you have any questions, comments, or concerns.
