TAU SIGMA DELTA FIRM CRAWL

WEDNESDAY, SEPTEMBER 29TH | 5-7PM

2021 NDSU FIRM CRAWL MAP

EAPC Architects & Engineers | Confluence Landscape Architects | Kilbourne Group | JLG Architects | Zerr Berg Architects | Gehrtz Construction Services | Shultz & Associates

Join Tau Sigma Delta on September 29th for a Downtown Firm Crawl! This event is a unique opportunity where firms that specialize in architecture, landscape architecture, interior design, and construction management open up their doors for students of all years to take a look inside offices, form connections, and ask questions about firm culture, opportunities, or just general professional practice.

We have upperclassmen leaders to lead groups of students around downtown to visit all the firms. These guides will provide directions and are there to answer any questions.

We will be meeting in Renaissance Hall at 5 pm. It is an open-house style event, so if you can't make it right at 5, feel free to join a group at one of the firms on the map at any point within the two hours the event takes place.

After the firm crawl, there will be a social in Renaissance Hall, where you all can grab some refreshments while socializing with a variety of other students from all years. Follow @ndsutsd on Instagram for updates! Email Gabriella Toquam with any questions or concerns.
